USD PAYMENT OF APRIL 2026 PENSIONS

We are delighted to inform you once again that the Fund will be paying out your **April 2026** pension entirely in United States Dollars (USD). **We underscore that this arrangement of paying your full monthly pension in USD is subject to availability of USD cashflows.** Thereafter, the Fund will revert to its normal method of paying pension benefits in the local currency, the ZWG, as your pensions are ZWG denominated.

Conversion to USD

Conversion to USD will be at the Reserve Bank of Zimbabwe's official exchange rate as of the day of payment. As an **example** (as of 08 April 2026), a member with a monthly pension of ZWG 3,000 would be entitled to a USD payout calculated as follows:

USD: ZWG exchange rate on date of payment: 1: 25.2374

USD Pension = monthly pension/25.2374 = 3000/25.2374 = USD 118.87

The payment of pension benefits will be made using the usual banking channels:

- a) Nostro accounts – for members who provided their details to the Fund, and
- b) BancABC platforms – for members who do not have nostro accounts.

When can I expect payment?

You may expect your USD pension payments between the 13th and the 17th of April 2026.

What Communication should I expect?

You will receive an SMS payslip before the 13th of April 2026, confirming your total USD income from the Fund.
